Trouble Hearing? We can help!

Listen Everywhere brings clear audio to your smartphone.

Follow the steps below to install the app and connect to the service, then plug in your earphones or connect to your hearing aid via Bluetooth and choose from the channels offered.

Step 1:
Open the camera app on your smartphone and point the camera at the QR Code below. Tap to connect to the Town of Andover Guest Wi-Fi network.

Step 2:
Point the camera at this QR Code and tap to download and install the Listen Everywhere app.

Step 3:
Point the camera at this QR Code to connect to the venue and launch the Listen Everywhere app.

Step 4:
Plug in your earphones, or connect your hearing aid/cochlear implant via Bluetooth, and enjoy!

For more information please visit the Andover Commission on Disability table.

LISTEN

Epiphan Live Captioning brings transcription to your smartphone and other smart devices.

Follow the steps below to connect to the service.
Step 1:
Open the camera app on your smartphone and point the camera at this QR Code. The Epiphan Live Scrypt service will open.

Step 2:
Live captioning will begin transcribing the spoken words onto your smartphone once the speaker begins speaking.
